The landscape includes a dark, rocky hillside on the left and a grassy field with a wooden fence in the foreground. The entire scene is framed by a dark blue border at the top and bottom, with a shimmering, bokeh-like light effect in the middle of the top and bottom borders.

Introduction to Aurora Corialis Publishing

Your audience craves connection. Humans have always told stories. They help us understand each other. They help us share ideas. They help us build trust.

In a marketplace that is saturated with tens or hundreds or even thousands of people who do what you do, you have to stand out. You have to get noticed. You have to show what's special about you.

When you boost your visibility by sharing your story, you show your audience that you understand them deeply, can help them solve their biggest problem, and want them to feel closer to you and build trust.

Cori Wamsley, CEO of Aurora Corialis Publishing, is a proven expert in helping busy coaches and speakers write brilliant books that become bestsellers, get them noticed in their field, and help them become recognized as leaders. Books by our Clients (cont.)

Our Work

Aurora Corialis Publishing offers a variety of publishing packages to fit the author's needs. See package information below.

We work primarily with professionals like coaches and speakers who want to share their transformational story with a book.

Our focus is on co-creating a powerful manuscript and book to follow that speaks directly to the author's audience, niche, and expertise. As such, every step of the process is performed with an eye on how the book will appear in the marketplace.

Once the book is completed, of course, our focus is on the launch of the digital copy, where we help the author campaign to make that book a bestseller.

The resulting book is an asset to the author's business or nonprofit.

Is your book already written?

Silver Package (Basic) - includes copy editing, layout and cover design for paperback and ebook, publishing, ISBN, copyright, PR, and marketing.

Do you want book coaching to help you write?

Gold Package (Basic + 5 months book coaching with a group, max 6 authors)
Platinum Package (Basic + 5 months private book coaching and Business Psychic session)

Would you like to let someone else write your book?

Diamond (Basic + ghost writing, approx. 6-9 months of writing)
Podcast to Book (Basic + ghost writing using your podcast episodes, approx. 6-9 months of writing)
